CDA Spring Competition

IT WAS a rainy day in the neighborhood on June 2 and 3 in Darien, CT. The weather did not cooperate but the footing did. We had very few scratches including the 19 rides in PSG and everyone seemed to have fun at CDA's eighth annual recognized show. Joe Dotoli, general manager of Ox Ridge Hunt Club, and his crew worked hard to dig ditches to keep rain water out of the rings and away from stabling. I must say the show was a success.

We had 185 competitors, 463 rides scheduled, and 140 horses stabled. We had about 50 entries on the waiting list totaling another 125 rides. Conclusion...CDA's show at Ox Ridge is a huge hit with competitors! This show has become very popular.

Nancy Blanchard, our volunteer coordinator, did a great job getting you to come and volunteer, and being so organized and caring for you at the show. I want to thank her for a job well done, but she and I both want to thank you all many times over. Without you, the show could not run smoothly.

With any show, not everything goes smoothly. The footing in Ring 4 broke down half way through the first day and was moved. However, the big success was the caterer. Diane Sears of the 'Country Cook' did a wonderful job. The desserts were outstanding, and the wine and cheese party presentation and food was beautiful. I have already signed her up for next year!

I do want to take this opportunity to thank all the sponsors. Equestrian Centre and Miller's donated the saddle pads as the first place trophies, again. A special thank you to them for the continued support of CDA. Kim Lombardi did a great job organizing the sponsors and she will be (if not already done!) sending programs to all of you.

To sum it all up, the classes were big, the scores were great, the food was wonderful...ok, the weather could have been a bit more cooperative, but all in all...

CDA, pat yourselves on the back for putting on a first quality show!

Jr/Yr's in Saratoga Springs

We drove 2 1/2 hours; played about 100 games of 20 questions (going way over the limit of 20 questions:) and barely slept any of the ride there (now home is another thing:). For lunch we stopped at Friendly's and ate much more than our stomachs could hold. We were too mesmerized at the ice cream, which we couldn't turn them down, so we ordered the most delicious ones on the menu, and couldn't even finish them.

Finally we found the King's Ransom Farm Bed and Breakfast. It is a beautiful land full of 550 dairy cows, tons of crops, and so many acres, you wouldn't believe it. They showed us our rooms, and helped us find a place to go for dinner. Once we had that done, we left for a shopping spree. Thank goodness it was all girls because we were out for hours in and out of stores. Around 7:30 we found the Old Bryan Inn and had dinner. The servings were tremendous in taste and size.

We then traveled to our country home to settle in. We played "The Farmers Game" (almost like Monopoly) and then went to bed. The next morning we got ready to go to the racetrack for the Saratoga ARC Festival and Dressage.

The racetrack was very large and very beautiful. Rings were placed along the track and vendors below the grand stand. It would have been a perfect day if it hadn't rained. Luckily it was only on and off rain; not all day. After we watched some dressage rides, we went to the vendors. There were so many, and such little time.

As the day came to an end, so did our fun, and we were on our way home. I know I will never forget that weekend, and hopefully next year we can make this trip again and have as much, if not more fun.

USDF Launches Campaign to Recruit Members

Lincoln, Nebraska (June 14, 2001) — The United States Dressage Federation (USDF) has launched its first annual "Member-Get-A-Member Campaign" to ensure the continued growth of the sport of dressage in America. Throughout the coming months, members of the 129 local dressage clubs will recruit individuals interested in dressage to join their organizations. In addition, individuals who are already members of their local dressage club will be recruited to join nationally, as USDF Participating Members. Prizes will be awarded to encourage the recruiting effort.

"In USDF's 27 years of service, the membership numbers have continued to climb, without even trying," said Ken Levy, chairman of the Membership Marketing Sub-Committee. "We want to ensure USDF's continued success through a membership recruitment program that is a win-win situation for the individual, for the local clubs, and Federation."

"The individual will personally benefit from a USDF membership by enhancing their knowledge of dressage. The local clubs will benefit with more members who can serve as volunteers and become future leaders. And, with more members, the U.S. Dressage Federation can do even more to provide education, recognize achievement, and promote the sport of dressage," Levy explained.

Each Participating Member has been sent a special membership application to give to a potential member. This application asks for the name of the person who recruited them to join. This is sent in to the USDF office, where the information will be tallied. Or, for those too shy to hand out a brochure, they can send USDF the name of a potential member, and USDF will send the form with the recruiter's name as the referral. Names of new Participating Members and recruiters will be published in the *USDF Connection* and on the USDF website. The top recruiter of Participating Members from each of USDF's nine regions will win full registration to the USDF Annual Convention, to be held November 28-December 2, 2001 in Orlando, plus five-day's hotel room during the convention at the elegant Orlando Peabody luxury hotel. The contest runs through September 30th.

In addition, each GMO President and Membership Contact has been sent a campaign packet, which includes their club's recruitment goal. GMO's in the Large division (over 175 members) have a goal of 4% growth, the Medium division clubs (76 to 175 members) have a 6% goal, and the Small division clubs (25 to 75 members) have a goal of 8% growth. As an incentive, the Group Member Organization (GMO) in each of three divisions that brings in the most Group Members will win a \$1,000 educational grant. This contest runs through November 1st.

Membership recruitment packets are available from the United States Dressage Federation, at P.O. Box 6669; Lincoln, NE 68506, call 402/434-8550, e-mail usdressage@usdf.org, or visit www.usdf.org.

USDF Registers Dressage Horse Number 40,000

Lincoln, Nebraska (June 15, 2001) – The United States Dressage Federation (USDF) registered horse number 40,000 on June 7, 2001, marking a new record for the Federation. A 2001 Hanoverian filly, named Daphne, is the record-setting horse, and was registered by her owner, Marty Hunt, an adult amateur from La Cynge, Kansas.

Marty Hunt is a Participating Member as well as a member of the Kansas City Dressage Society. Marty hopes to show her young horse in-hand in the future, and is among the growing number of sport horse enthusiasts in the USDF Dressage Sport Horse Breeding Program.

"It is very appropriate that this record-setting horse is a prospect for the Cosequin/USDF Dressage Sport Horse Breeders' Championship series. This is our fastest-growing program, and we are very optimistic about the positive impact it will have on the quality of horses produced in America," said Sarah Jane Martin, Executive Director.

The USDF registered 3,463 dressage horses in 2000, and the number of new horses registered per year has grown 78% since 1995.

A chestnut with a blaze, two hind stockings and left front pastern, Daphne is just three weeks old. She is sired by Davignport, and the dam's sire is Dederick. The breeder was Angela Barilar, of Maryland.

To honor this special occasion, Marty Hunt will receive a special commemorative certificate and a gift package from USDF, including a copy of USDF's video, *Showing Your Sport Horse In-Hand*.
